LIFETIME LIMITED WARRANTY

The following warranty shall be applied to all plastic laminate casework, plastic laminate countertops and solid surface materials as manufactured and supplied by LSI Corporation of America, Inc.

That LSI Corporation of America, Inc. located at 2100 Xenium Lane, Minneapolis, MN issues to the original owner a lifetime guarantee and limited warranty against originally defective material. This is a warranty of replacement and repair only, whereby the manufacturer will correct defects and/or material without charge. Other products not originally produced by LSI Corporation shall carry a one year warranty.

Upon written notice to LSI Corporation by either the occupant, owner, architect, contractor or the LSI authorized dealer, an inspection will be made to determine the cause and/or extent of the defects. Should defect be as described in previous paragraph, LSI Corporation agrees to make corrective actions as necessary to restore the product to good working condition at no expense to any of the above parties.

This warranty does not cover acts of catastrophe, misuse or vandalism.
